

TODOS: Mathematics for ALL is an international organization headquartered in Arizona, representing teachers of mathematics who want to be better prepared to teach ALL students, and Latina/o students, in particular. TODOS provides expertise and experiences to support educators in reaching these goals.

Support TODOS' mission and goals by placing an appropriate ad or message in the program booklet for TODOS' upcoming conference, Ensuring Equity and Excellence in Mathematics for ALL, to be held on June 23-25, 2016, in Scottsdale, Arizona. The conference will bring together approximately 300 educators. Visit www.todos-math.org/todos-2016-conference for more information.
