## October 2016 Reading

**Suggested by TODOS: Mathematics for ALL**

TEEM 7- Special Issue: [\*Mathematics Education Through the Lens of Social Justice\*](#)

Targeted Questions for October Reading:

- How do we change the paradigm of what mathematics is and how it should be learned from its current institutional form to one that utilizes the mathematics of people and their communities and ties mathematics to the world?
- Which of the examples of social justice and mathematics tasks enacted with students that were written about in this journal most resonates with you? Why?
