

CANMEE: Mathematics Lesson Study Virtual Conference

When: July 21-22, 2020 • 9:00am-1:00pm PDT

Contact: Kyndall Brown, PhD, Exec Director CMP • Email: kbrown@gseis.ucla.edu

Cost: Complimentary

REGISTER AT: <http://sgiz.mobi/s3/471e91777922>

Conference Outcome: Participants will deepen their understanding of the equity focused CANMEE High Quality Lesson Study process.

Participants Will...

Understand the CANMEE High Quality Lesson Study cycle in the context of Improvement Science

Understand how to maintain a dual focus on mathematics and equity

Gain an awareness of the CANMEE resources to support lesson study

Topics Covered:

• Overview CANMEE Lesson Study Process

Equity-Based Research Theme

Lesson Hypothesis

Focal Students

Assets-Based Descriptions

Affinity Group Discussions

The CANMEE Lesson Study Proposal

Sankofa:

Learning from the past in order to move forward

Who Can Attend?

Teachers, Coaches, Administrators, Leaders, and other Stakeholders. We encourage you to register as a team. We believe that we learn better together than any one of us independently.
