

CANMEE

Online course for Lesson Study

EQUITY COMMENTATORS

CANMEE: California Action Network for Mathematics Excellence and Equity

Goal:

To gain and deepen equity commentators' understanding of how to support a lesson study team's inquiry into mathematics education with an equity lens.

Who should attend:

Practicing equity commentators, equity commentators assigned to a lesson study team, and those who would like to be an equity commentator.

Synchronous Dates and Times (Pacific Time):

- | | |
|-----------------------------|-------------------|
| - February 17, 2022 (Thurs) | 4:00 pm – 5:30 pm |
| - March 3, 2022 (Thurs) | 4:00 pm – 5:30 pm |
| - March 17, 2022 (Thurs) | 4:00 pm – 5:30 pm |
| - April 14, 2022 (Thurs) | 4:00 pm – 5:30 pm |

Asynchronous assignments (readings, videos, podcasts) between online meetings

Costs: Complimentary for California Educators, \$25 for out of state

Upon completion of all four sessions you will be invited to (1) add your name to the list of equity commentators willing to support lesson study teams, and (2) select two professional books to add to your library.

Registration deadline: February 15, 2022
