

# The 2023 TODOS Iris M. Carl Equity and Leadership Award

## **AWARD DESCRIPTION**

The TODOS Iris M. Carl Equity and Leadership Award recognizes an individual who has made significant contributions to the quality of mathematics education provided to students, in particular to Latinx and/or Indigenous students. The honoree is a mathematics educator who exhibits commitment to improving the mathematics education for all students and has made, or is making, significant contributions that have impacted equity and advancement for all students. The individual's work in improving mathematics has influenced their school or workplace as well as their community. Their leadership has also influenced colleagues, education leaders, and practitioners, and its impact has been sustained. The recipient will receive a plaque and lifetime membership in TODOS.

### **Criteria**

The candidate must meet most of the following criteria:

- Promotes excellence in mathematics education for all students.
- Makes a significant impact on the lives of all students, in particular Latinx and/or Indigenous students.
- Creates opportunities or eliminates barriers for all students to engage and achieve in mathematics.
- Leads sustained initiatives to improve the quality of mathematics education and success for students.
- Leads by example in practice, ethics, and professional achievement.
- Promotes high quality and meaningful mathematics education for all students.

### **Nomination Process**

Candidates for the award must be nominated by TODOS members by emailing the completed Nomination Packet in support of a candidate who meets the criteria outlined above by March 31, 2023 to [iriscarlaward@todos-math.org](mailto:iriscarlaward@todos-math.org). The Nomination Packet must include the following three sections: (1) the Nomination Cover page, (2) the Nominee Information page with the two letters of support and (3) Narrative written by the nominator, which specifically addresses the criteria for the award and describes the merits and contributions of the nominee.

### **Selection Process**

A TODOS committee will review all nominations and select the recipient of the award. Questions regarding the nomination and selection processes for the award should be directed to [iriscarlaward@todos-math.org](mailto:iriscarlaward@todos-math.org).

**All nominations must be received on or before March 31, 2023 to receive full consideration.**
